Experienced Industry Leaders:

For more than 25 years, Nationwide has been leading the logistics industry.
By taking care of our clients, providing trusted, personal, efficient solutions that get the job done and make our clients look good, we come out on top.

That's what it's all about.

By making our clients look good, we have earned a reputation as one of the most recommended companies in the third party logistics management industry.

How do we do it?

It's simple really. We combine superb customer service with an unmatched carrier network and extensive relationships within the industry. Our reliable network of over 12,000 carriers stands ready to handle your transportation needs with total efficiency.

Reliable:

You need a logistics provider you can trust to get the job done. We've Got You Covered.

You can trust Nationwide to deliver, on time...every time.

Bring us your truckload, less-than-truckload (LTL), flatbed and intermodal shipping challenges, and we'll find a solution.

We offer our brokerage services across North America with more than 12,000 reliable local, regional, and national carriers.

We provide specialized freight transportation to Fortune 500 companies, mid-sized regional business and small local start-ups with the same award winning customer service that has made Nationwide one of the most recommended logistics providers in North America.

We believe that a company can be judged by the promise it keeps

SmartWay is a collaboration between the USEPA and the freight transportation industry that helps freight shippers, carriers, and logistics companies improve fuel-efficiency and save money.

FREIGHT SHIPPING
BETTER THAN ANYONE
IN THE INDUSTRY**

Practice Makes Perfect

Nationwide has had more practice managing truckload freight shipping than just about any other 3PL company. With over 12,000 carriers at our fingertips, we have the ability to utilize a pool of local, regional, and national trucks and truck companies all over North America.

Regardless of high demand or problems with Mother Nature, we always have a solution ready and waiting for you. With hundreds of thousands of trucks in our fleet, we pick and choose the best one for each individual load at the best possible price.

Low-Price Truckload Solutions

Size, scale, and efficiency matter in the shipping business. Nationwide has the size, the capacity, and the leading full-truckload teams in the industry.

We manage thousands of full truckload shipments every week. Trust our experience and our ability to get the job done. Save time and money by making Nationwide your first call for freight.

From beginning to end, we've got you covered.

We'll schedule your shipment, validate pickup, track and trace and provide data management, order processing, invoice auditing, and bill payment through our automated system.

DYNAMIC SOLUTIONS FOR EVERY LOGISTICS NEED

Nationwide is recognized as the leading flatbed freight specialist across North America.

Just one call and we'll handle it all!

We'll coordinate every detail, managing your exacting requirements, and will ensure that you get the best price for the space you need.

Nationwide has unmatched experience moving oversized and expensive machinery, overweight equipment (multi-axle) and freight that requires special permits, escorts and route calculation.

We offer an extensive flatbed trucking network with the capacity to handle all of your flatbed freight shipping needs.

LESS THAN TRUCKLOAD

When you just need to ship a few pallets, you need to call Nationwide. We have the solution for your less than truckload (LTL) demands with a variety of services to choose from.

- *Service To All North America*
- *Large Discounts To Save Money*
- *Direct Delivery Available*
- *Lift-gate*
- *Driver Services*
- *Hazmat Or Temperature Controlled*

INTERMODAL

Truck and rail improves efficiency by offering more equipment options, lower prices, and increased energy conservation. Intermodal offers a lower cost per mile than truck shipments for moves over 500 miles.

Our door-to-door service combines rail and trucks, in multiple container options, including 53', 48', 40', 20', and even double stacking.

Let our team of intermodal pros eliminate unplanned costs and demonstrate how we can help you save money and maintain improved control over your freight.

Rely on our experienced intermodal team to convert your shipments between truck and rail, saving you time and money.

EXPEDITED SERVICES

In the shipping business, speed matters.

If your freight needs to be delivered on the next day, or even the same day, no problem! Our same day and next day delivery options ensure that your freight will never be late!

We utilize a team driver system to ensure that your shipment arrives as scheduled. Our crews work together in full compliance with CSA and HOS regulations to keep your freight moving. Mandated breaks won't slow down your shipment. We deliver 24-7, including weekends and holidays. We'll meet your deadlines, working together to get your freight where it needs to be.
